

What's Your Hot Deal?

With your Chamber's new website active, we wanted to take a peek at the popular areas members find useful. More than 100 hits in the last week occurred under your Hot Deals. Have you posted a Hot Deal lately? It's easy to do and a great way to promote your business and connect with other Chamber members. Find it under the Resource tab at www.dcrchamber.com. And here's how to post...

1. Visit www.dcrchamber.com
2. Click "Member Login" on the top right corner.
3. Go to "Hot Deals" under the "Advertising" tab on the left side.
4. Add a Hot Deal!
5. Once you have entered all your information, submit it for approval.

We will review and approve your hot deal, which will then be posted on the website.
