Dakota County Regional Chamber offers real-time information and resources on public policy and critical issues impacting businesses through an exclusive Advocacy & Issues Forum breakfast series. This monthly program delivers business community members first-hand perspectives from influential lawmakers and leading industry experts on how legislation at all government levels affects the bottom-line, job creation, growth, and expansion.

As a popular benefit, the series allows participants to shape the conversation through Q&A, as well as an opportunity to communicate concerns, comments, and questions. The events are held the first Friday of the month, January through December (no breakfast July – September), from 7:30 to 9:00 a.m.
